

BASIC PLUS SURGE PROTECTION CLAIM FORM

Basic Plus is a program that attaches a state-of-the-art surge protector directly at your electric meter to help protect your appliances from power surges that pass through your electric meter (which may include electrical grounding and related materials). Basic Plus also comes with a \$5,000 limited manufacturer's warranty per covered appliance, per occurrence for damages caused by a failure of the surge protector to properly perform. By filing this form, you are pursuing a claim against the manufacturer's warranty that the Basic Plus surge protector device has failed to properly perform and that failure has resulted in damage to your covered appliance(s).

Please complete this form and provide all requested documentation in order to ensure timely processing and investigation of your claim. This form must be signed and returned within 30 days from the date you discovered the loss/damage/failure to your covered property in order for the claim to be considered. Failure to comply with the above requirements may result in the delay or denial of your claim. Any claims under the Basic Plus Surge Protection Program are subject to the Service Warranty Terms and Conditions available at www.GulfPower.com. Gulf Power may, at its sole discretion, require additional information or documentation relating to your claim.

SECTION A: Customer Information

Customer Name: _____ Gulf Power Account #: _____ - _____

Service Address: _____ City: _____

Zip: _____ Daytime Phone: _____ Evening Phone: _____

Discovery Date of Incident/Loss: _____

Describe the incident and weather conditions during the incident which caused the damage: _____

☐ The mailing address to send my check is the same as my service address.

Mailing Address: _____ City: _____ State: _____ Zip: _____

Before proceeding, please check the indicator light(s) on your Basic Plus surge device installed at the electrical meter to determine whether the indicator lights are On or Off (On indicates that the device is functioning properly. Please see the Device Guide for more information about location of lights, available at www.GulfPower.com/surge.)

1. Are the indicator light(s) on your Basic Plus device ON or OFF?

☐ Yes ☐ No ☐ Uncertain

Please be aware that your appliances may fail for a variety of reasons other than a failure of the surge protection device to properly perform, including normal wear and tear and power surges that can enter your home through other channels, such as cable and phone lines, sprinkler systems, doorbells, water lines, buried electronic fences and exterior metal surfaces.

2. If the indicator light(s) on your device are ON (indicating that the device is functioning properly), in the lines below please indicate why you believe that the applicable item(s) was damaged due to a failure of the device to properly perform: _____

3. Please understand that Gulf Power may need to remove the Basic Plus device from your home for testing to verify whether the device has in fact failed to properly perform. If after completing the above steps you continue to believe that the Basic Plus surge protector device has failed to properly perform and that failure has resulted in damage to your covered appliance(s), please complete the remainder of this form and provide all requested documentation, including completed and signed Service Provider Certification Cause of Damage form attached (by a licensed repair technician of your choice) in order to ensure timely processing and investigation of your claim. See the Manufacturer's Warranty attached to the Basic Plus Program Terms and Conditions available at www.GulfPower.com for a list of covered items. This form must be signed and returned within 30 days from the date you discovered the loss/damage/failure to your covered property in order for the claim to be considered. Failure to comply with the above requirements may result in the delay or denial of your claim. Gulf Power may, at its sole discretion, require additional information or documentation relating to your claim.

SECTION B: Customer Information

Attach all repair bills/estimates and other proof of loss. All invoices and receipts must be on an itemized form with the company's letterhead, name, address, telephone number and a breakdown of services. If the item is "not repairable" the reason must be clearly stated by the licensed service technician. Please use additional pages of the below to report any additional items. Gulf Power may, at its sole discretion, require additional information or documentation relating to your claim. For full coverage details and limitations, review the Basic Plus Terms and Conditions.
